Skiing and **Snowboarding**

Nature and Adventure

The flagship activity of winter. With more than 308 skiable km spread across 3 resorts, Andorra offers the best snow in the Pyrenees and a wide variety of experiences suited to all levels and all groups.

Grandvalira
Resorts

1 to 5 hours

Consult

Top Class

An exclusive experience for ski enthusiasts. With top-level instructors, private areas, test equipment from leading brands, and priority access to mountain restaurants.

It also includes session recordings, video analysis and feedback, and an on-demand transfer service.

Grandvalira
Resorts

1 to 4 hours

8 to 50 pax

Night Skiing

Snow can also be enjoyed at night. Ski on illuminated slopes until 9:00 p.m., combining the silence of the mountains with the thrill of skiing under the stars.

Grandvalira
Resorts

1 to 4 hours

5 to 50 pax

First

snow

Feel the magic of being the first. An exclusive activity that allows you to ski down the slopes before they open to the public, followed by breakfast at Restaurant Pi del Migdia (El Tarter). Intermediate or advanced level required.

Grandvalira
Resorts

1 hour

5 to 30 pax

Ice and Snow Driving

Take on the challenge of winter driving on one of the highest circuits in Europe. Experience the adrenaline and learn control techniques on ice and snow with 4x4 vehicles.

Soldeu
Pas de la Casa

1 to 3 hours

2 to 25 pax

Igloo Building

A fun outdoor team-building activity. Teams, guided by an instructor, will build their own igloo using only snow and their creativity. Ideal for fostering cooperation and leadership.

Grau Roig

1 hour 30 minutes

5 to 50 pax

Moonbikes

The perfect fusion between a snowmobile and a snowbike. Travel through Andorra's snowy landscapes in a sustainable, quiet, and environmentally friendly way.

An ideal activity for groups and teams to enjoy and explore Andorra's most spectacular scenery in an ecological and responsible manner.

Pal Arinsal
La Rabassa

30 min to 1 hour

10 pax

Snowmobiles

One of the most iconic winter activities. Suitable for all types of groups and levels. With different circuits and routes, it allows you to enjoy the scenery up to 2,400 m in altitude with a good dose of adrenaline.

Without a doubt, the best option for those looking for a high-adrenaline activity.

Grau Roig

30 minutes
to 1 hour

Up to 40 pax

Snowshoeing

An ideal experience for all audiences. Discover the mountains while encouraging teamwork and decision-making, with the possibility of combining it with other team activities.

It allows you to enjoy the mountains with their unique valleys and snow-covered peaks. Suitable for all ages and fitness levels, it can be combined with escape rooms and other team-building activities!

Grau Roig
Pal Arinsal
Ordino Arcalís
La Rabassa

30 min to 1h

1 to 120 pax.

Mushing (Dog Sledding)

A magical experience that combines sport, nature, and connection with animals. Drive your own dog sled or be guided by a professional musher.

Grau Roig
El Tarter

30 minutes
to 2 hours

5 to 20 pax

Tristaina Solar Viewpoint

An iconic spot over 2,700 meters in altitude with panoramic views of Andorra, Spain, and France.

A simple yet spectacular experience for all audiences.

Arcalís

1 hour 30 minutes

5 to 100 pax.

Adventure Circuits

Courses with land and aerial routes combining zip lines, suspension bridges, kayaking, archery, and other activities.

Suitable for different skill levels and ideal for groups.

Andorra

1 to 3 hours

5 to 40 pax

Canyoning

One of the most thrilling adventure activities. It combines hiking, climbing, swimming, and progression techniques in unique natural environments. This activity brings together all these activities and adventure in a single experience.

Andorra

Half day

5 to 15 pax

High-Altitude Golf

Soldeu Golf stands out as the highest golf course in Europe and is accessible by cable car. It is a 9-hole, par 33 course, 2,590 meters long, covering an area of 16 hectares.

The course includes 1 Par 5 of 500 meters, 4 Par 4s, and 4 Par 3s. Open from June to September, 10:00 a.m. to 7:00 p.m., it offers a premium experience for groups.

Soldeu

Unlimited
9 holes
Approx. 2h

1 to 40 pax

Karting

A prestigious high-altitude circuit in Pas de la Casa, located at 2,400 meters and over 1 km in length. Ideal for team competitions and for enjoying a high-adrenaline experience. It also offers some of the best views on one of Europe's most unique circuits.

Pas de la Casa

30 minutes
to 1 hour

5 to 30 pax

E-Bike and Mountain Bike Routes

One of the most popular summer activities, perfect for groups, allowing you to discover Andorra's natural spots. Suitable for all levels, with a guide service that meets every possible need. Each route is designed to enjoy both the trail and the surroundings, with the option to ride downhill on the Mountain Bike World Cup circuit using electric or enduro bikes.

Andorra

1 to 4h

Consult

Guided Hikes

Andorra's various valleys feature certifications such as UNESCO World Heritage sites and biosphere reserves, among others, totaling over 300 km of trails and paths.

It's an ideal environment for practicing hiking as a team activity, combined with team-building exercises. Designed to be complemented with other group activities such as orienteering, treasure hunts, or gymkhanas... a challenge that motivates and tests teamwork skills.

Andorra

Half day to full day

5 to 100 people

Via ferrata

A high-altitude activity for adrenaline-packed experiences, featuring horizontal and vertical routes suitable for all levels.

It includes the use of extensive safety equipment: rungs, handrails, chains, Nepalese and Tibetan bridges, zip lines, etc.

These elements allow access to hard-to-reach places safely, under the guidance of certified instructors.

Andorra

Half day

5 to 15 pax

4x4 Routes

This activity invites the group to explore Andorra in a big way: aboard buggies and 4x4 jeeps that can turn any route into an epic adventure. You can follow the historic smuggler paths toward Spain or reach the 2,500-meter-high Pic Negre to enjoy breathtaking views.

The best part: up to 50 people can participate combining different vehicles so everyone can enjoy their share of adrenaline, laughter, and unforgettable scenery.

Andorra

Half day

5 to 50 pax

Tibetan Bridge

A new attraction in the Principality: the second-longest hanging bridge in the world, at 1,875 meters altitude and 600 meters long, hanging 200 meters above the ground. It offers a unique experience with the most stunning views of the valleys.

The activity allows you to cross a valley between two mountains and is combined with other panoramic viewpoints. Ideal for groups. An unforgettable experience among the mountains.

Canillo

30 minutes
to 1 hour

5 to 100 people

Alpine Slide

The 5.3 km alpine coaster, considered one of the longest in the world, offers a unique, adrenaline-filled experience in the heart of the forest. With a 20-minute ride, the activity combines an ascent and a descent between two resorts.

Ideal for groups, as it can be done solo or in pairs. Easily combined with other zip line and adventure circuit activities at the same resort.

Canillo
La Rabassa

30 minutes

5 to 100 people

Roc del Quer Viewpoint

A paradise for lovers of panoramic views and nature, featuring a 20-meter suspended platform at 2,000 meters altitude, with a 500-meter drop, offering panoramic views of the entire Canillo valley.

The activity includes a short 10-minute hike to reach the viewpoint, suitable for all audiences, and can be combined with the Tibetan Bridge, with free transfers.

Canillo

60 minutes

1 to 100 people

Tibetan Bridge Jump

The most extreme experience for small groups involves a rope jump from the Tibetan Bridge, with a 200-meter free fall. Reserved for the bravest, it allows participants to enjoy incredible views while experiencing a unique adrenaline rush.

Canillo

1 hour 30 minutes

1 to 15 people

Orientation Tour

An ideal activity to promote teamwork and all company values. Through various challenges and mountain routes, accompanied by guides, clue hunts, treasure hunts, and courses are offered to allow teams to compete against each other.

Ideal for groups of up to 100 people, the activity can be carried out all year round.

Andorra

3 h 30 min

5 to 100 people

Escape Room

One of the activities that best promotes team building. With different challenges, routes, and environments, your groups will compete against each other while encouraging decision-making, cooperation, and other company values.

It is a real hunt, where participants must solve the proposed riddles in a fully interactive environment.

Andorra

1 h

2 to 15 people

Ziplines

An adrenaline-filled activity where you can launch yourself from over 40 meters high on a 550-meter course, reaching speeds of up to 80 km/h during the descent.

Andorra

20 min

2 to 30 people

SOM TARTERA

Moments

A nature-based route, ideal for groups, designed to develop teamwork. Participants will encounter different stopping points to interact with nature: challenges, questions, group dynamics, training, awareness activities, and forest immersion to work on introspection and goal achievement.

Andorra la Vella

1h 30 min

On request

Horseback Riding

An activity for small groups that allows participants to disconnect and discover nature on horseback through routes and incredible landscapes of the Principality.

Available all year round, it offers the chance to experience the beauty of nature in a different way, thanks to the bond with the animal.

Andorra

1 h 30 min

5 to 15 people

Tubbing DOTS

Tubbing Dots consist of sliding down on an inflatable tube over snow or summer slides at considerable speed, all within a natural setting. Ideal for groups and can be combined with other adventure parks.

Grau Roig
La Rabassa

30 to 40 min

2 to 25 people

Helicopter Flight

Andorra from the sky: enjoy the best possible perspective with a panoramic flight over Andorra. Designed for small groups, it can be combined with other activities and can also be arranged as a means of transport to discover incredible and hard-to-reach environments.

Andorra

10 min

6 people

Ballai-Ballon

Known as “Balay Ballon” and originally from Canada, this is a game played on an ice rink, wearing sports shoes, using a paddle or a broom instead of a stick, and a ball instead of the typical ice hockey puck. It is an easy and very fun activity to play in teams at the famous Palau de Gel in Canillo.

Canillo

50 min

10 to 24 people

Ice Hockey

A well-known activity held at the Ice Palace of Canillo. Designed for groups and companies wishing to try a different sporting discipline, it can be combined with a fun and original dinner.

Important: No skating experience is required! A highly addictive and entertaining activity.

Canillo

50 min

10 to 22 people

Curling

The best way to discover an Olympic discipline adapted to all types of groups. It is a precision sport similar to pétanque and is played on an ice rink. Two teams compete by sliding eight 20 kg granite stones each, using planned strategies and skills.

Canillo

50 min

From 8 people

High-Altitude Dinner

A unique gastronomic experience in the mountains. Transfer by snow groomers, snowmobiles, or sleds, where groups enjoy dinners in restaurants located over 2,000 meters above sea level, surrounded by the silence and beauty of the nighttime landscape.

Soldeu, El Tarter
Grau Roig

5 to 100 people

Gastronomy
and Leisure

Wine Tourism

Andorran wines are a reality thanks to several local winemakers who have chosen to produce a high-quality, unique product with its own personality, adding value to position themselves in the wine market.

Guided tours of vineyards and wineries can be organized, combined with wine tastings and the discovery of local products from the Principality.

Andorra

2 to 4 h

5 to 20 people

Local Producers

Visit

Through workshops and visits, participants can get to know Andorra's local producers up close. Artisans and professionals who create local products connected to the land, preserving gastronomic traditions and using locally sourced ingredients.

It is an experience that allows a deeper understanding of the territory, its cuisine, and the people behind it. From cheeses, jams, meats, and wines to many other authentic products.

Andorra

1 to 2 h

5 to 20 people

L'Abarset

A new “après-ski” concept combining leisure, music, and gastronomy in a unique experience at the heart of the ski slopes, covering over 2,000 m² with two floors and a 700 m² terrace

The restaurant, designed in an authentic alpine style, is the central element both day and night, with a capacity of 100 guests for table service and 200 for cocktail events. The VIP area offers a fully personalized experience.

The experience is designed for groups of 5 to 100 people and allows guests to enjoy VIP service and the full range of offerings.

El Tarter

Up to 200 people

UNNIC

The new leisure center located in the heart of Andorra la Vella has quickly become a must-visit destination for corporate afterwork events. Spread over 7 floors, it features rooms with a casino, restaurants, nightclubs, and much more: workshops and cocktail masterclasses, high-altitude cooking, comedy shows, tribute concerts, and tournaments of all kinds.

Its wide gastronomic variety allows guests to choose from more than 4 restaurants offering different cuisines, with the possibility of privatizing spaces to create a unique group experience. It offers creative cuisine made from quality products, suitable for both informal meals and more elaborate experiences, as well as wine tastings and various tasting menus in an exceptional setting.

Andorra

2 to 200 people

Tourist Bus

The tourist bus is the best way to discover the landscape, culture, and history of the Principality of Andorra in a group.

This service is available from June to October, with routes running Monday to Sunday. Trips on other dates can also be arranged upon request.

Andorra

Half day

5 to 50 people

Theatrical Cultural Tour

The best way to discover the historic center of Andorra in a dynamic way.

During this type of tour, guides dress up to provide explanations in a more engaging and original manner, highlighting the culture and history of the country, which spans over 800 years.

Ideal for groups after a day of work in the city center.

Andorra

1 h

20 to 50 people

Botanical Craft

Workshops

A unique activity to explore the world of botany through workshops in textile making, natural dyeing, and crafts, combining natural elements with handmade textile creation. Ideal for small groups.

Escaldes
Engordany

1 h

2 to 20 people

Astronomy and Astrophotography Workshops

Discovering the stars and the astronomical world is a unique complementary activity for groups. From various panoramic viewpoints, with the help of guides, in the heart of the mountains, participants can observe the wonders of our universe, such as stars, planets, and the stories surrounding them. With its dual Starlight Reserve designation, the sky of La Massana is one of the most recognized environments in Spain and Europe for astrotourism, thanks to its clarity and exceptional darkness.

La Massana

30 min to 2 h

2 to 40 people

High-Altitude Yoga

In a natural environment, this experience invites participants to awaken their senses and reconnect with nature. Through a yoga or outdoor physical activity session, participants engage their bodies with fluid movements, strengthening their muscles, improving breathing, and enhancing overall well-being. Mindful movement and fresh mountain air promote mental relaxation and a break from daily routines. Ideal for promoting health and team cohesion within corporate incentive programs.

Andorra

2 to 3 h

8 to 30 people

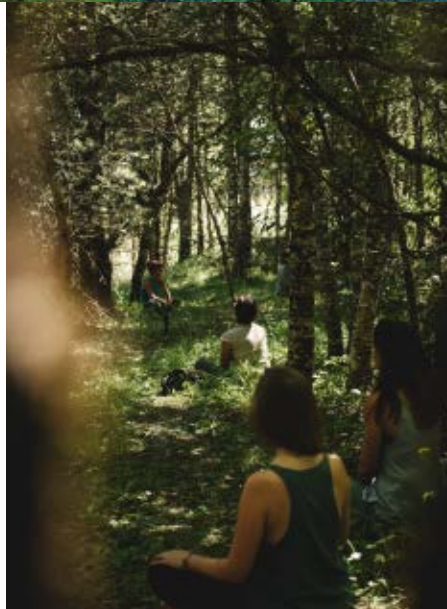

Forest Bathing

Discover the restorative power of nature. A wellness and team-building experience that allows participants to disconnect in the heart of nature while practicing Taoist yoga and Qi Gong.

Participants reduce stress, improve their mood, and strengthen their emotional connection.

Andorra

3 h

1 to 10 people

Caldea

The largest thermal center in Europe, covering over 44,000 m², offers an unparalleled wellness and relaxation experience. Utilizing the natural thermal waters of the valley, it provides complete disconnection, with various spaces and services.

It can accommodate large groups throughout the year. The experience is complemented by various activities and workshops, such as mindfulness sessions or moments of absolute relaxation with Tibetan bowls.

Escaldes
Engordany

3 to 4 h

5 to 300 people
